

Boeing 737-300 Required on Wet Lease

Pakistan international Airlines is interested in acquiring upto two Boeing 737-300 aircraft on wet lease (ACMI basis) with the following terms:

Lease Period: Three (3) months
Lease Start Date: July 2009
Guaranteed Block Hours: 675 per aircraft for the lease period

Please advise availability along with the aircraft specification (including aircraft LOPA and galley details) and other terms/ conditions, if you are offering the same as owner.

Please note that PIA deals directly with owners of the aircraft without involving any agent / broker or intermediary. Therefore, only offers directly received from the owners/operators shall be considered.
