PIAC – WORKS DEPARTEMENT
(Furniture Section)

ANNEXURE'A"

SUBJECT: TERMS AND CONDITION OF TERM CONTRACT FOR FURNITURE SECTION

1. Tender and contract are meant for term contract works required to done in PIAC premises at Karachi, Lahore /Rawalpindi / Peshawar (airport and town premises) as per approved schedule for furniture items
2. The contractor shall attach pay order of Rs 15000/- with his tender as bid money in the name or PIAC. The bid money of unsuccessfully bidders will be returned, the bid money of the approved lowest bidders will be treated/retained as security deposit, which is refundable after the successful completion of the term period. It will be however be confiscated if the contractor fail to honor their bids.
3. The quotation/tender shall be valid for period of 90 days from the date of opening the tender.
4. The cost of any single work, for approved Maintenance work should not exceed Rs.300,000/=
5. For restricted areas at any station, as indicated on the schedule the contractor will have to arrange entry pass for his personal, vehicles and machineries. These passes shall be valid as per procedure laid down by the concerned agenesis. All expenses in this respect will be borne by the contractor.
6. PIAC is not liable to issue any stores, material of construction machinery required for completion of job/work.
7. Contractor must possess a van or a suitable carrier for transportation of material. The vehicle must register in the name of the firm or properties/partner of the firm.
8. The contractor must have a telephone/mobile phone at his office/residence in the name of the firm owner and documentary proof must be attached, without which tender is liable for rejection. If found no telephone at his residence or office at any later stage, then term contract will liable to termination.
9. The contractor must be enlisted with PIAC and proof of the current registration must be attached with the tender.
10. PIAC reserves the right to get any work executed from standby contractor/ other area T.C contractor in the case PIAC is satisfied that area is over loaded or is not executing his job effectively. This final decision rests with manager concern.
11. PIA reserves the right to accept or reject the lowest bid without assigning any reason
12. Standard terms and condition for execution of PIAC works shall also apply in addition to these terms & condition. This may further include different mandatory amendments enforced from time to time by PIA Management.
13. This is the sole responsibility of contractor to drop the tender box placed in the account's office works division. Karachi by 1500 hours dated 14-02-2020
14. Tender will opened 14-02-2020 at 1530 hours in the office of General Manager Works & Project in the presence of contractors; who wish to be present.
15. Each and every page must be signed with seal of the firm. Non-compliance will make the tender liable to rejection.
16. This subject contract will be for about a period 12 months, which can be extended for a further period on mutually agreement of time.

PIA-FACILITIES MANAGEMENT DIVISION (FURNITURE SECTION)

17. Conditional tenders are liable to be rejected.
18. Contractor is solely responsible for safety of his all workers, in case of injuries sustained by his workers, contractor is solely responsible to pay suitable amount of compensation till their recovery including cost medical treatment/Hospitalization.
19. A reasonable completion time of each job will be mentioned separately in each work order issued from time to time on the basis of approved rates.
20. All debris and waste material must be removed from the site and passage must be repaired in original condition immediately on completion of the job.
21. Contractors/Firm are liable to quote their bids including all applicable taxes by federal or provincial government.

SPECIAL CONDITION

- 1) In principle, one area will be awarded to one contractor. But, if a contractor is found lowest in one more than one area and other contractors do not agree to work on quoted rates then it may be, awarded/asked to undertake the works of the other areas as well. In such case the contractor shall have to deposit the bid /security money of Rs.5000/- for each additional area at the time of concluding the contract/ contracts. The bid money will be confiscated if the contractor fails to undertake the other areas works (if required) as per his lowest bid.
- 2) While awarding the work of one area to a contractor who is found lowest in more than one area then his choice for any one area will be preferred. If management agrees.
- 3) Area T.C contractor will submit the bills/bills to concerned manager within 10 days after completion of jobs, so that quality and quantities of different items of works are readily checked in the newness of these executed items.
- 4) Contractor will also make himself available in next 10 days to have this bills/bills checked by works officer in case delay on the part of contractors the decision of works division will
