Designated Labs for Pre Travel COVID-19 Screening of Passengers

Embassy of Kingdom of Saudi Arabia in Islamabad presents its compliments to your esteemed airline and would like to share the updated list of designated labs for screening of passengers travelling to the Kingdom. We would like to make necessary arrangements at airport to check each passenger report at airport before boarding to stop the false reporting issues. List of our designated labs is as follow:-

1. Islamabad Diagnostic Center
2. Test Zone Laboratories
3. Metropole Laboratories
4. Khan Labs & Diagnostic Center
5. MEDASK Laboratories
6. Realtime PCR Laboratories
7. Chughtai Labs

Apart from this list, no other lab is allowed to perform COVID-19 Screening of passengers and hence passengers bearing reports from non-designated labs should not be allowed to travel to kingdom.

Embassy of Kingdom of Saudi Arabia in Islamabad once again would like to presents its compliments and will look forward for a good working relationship.
